TO : TABER, SAINT, LONDON
INFO : SAINT, WASHINGTON
FROM : AB/016, ANZON
SUBJECT: Vetting of Murad FERID

1. Attached is a copy of the XYZ-1 vetting form submitted by a field station of this mission on Murad FERID. Attached also is a copy of a blank XYZ-1 form to which the information on FERID is keyed.

2. It has been our practice in the past to translate the information from XYZ-1 to the 22-item form prescribed by DE/001's letter of 24 May 1945. Owing to the fact that we do not have sufficient copies of the XYZ-1 available in this case, and that we have a great deal of work to do, we are hoping that you will understand if we submit the XYZ-1 form to you without indulging in the laborious translation.

3. FERID's career is substantially confirmed by an unnumbered Shaef card, but owing to his prominence, there must be more information in your files regarding his career and character. Please send us any information not contained in the reports on the subject emanating from Munich between 11 and 28 July 1945.
